

# Fun Friday

To finish of the week, we have found some challenges you can try at home. You can try as many as you would like.

## Paper Airplane Challenge

Design an airplane and set up a target. How many points can you get?

## Outside Music Challenge

Can you find different objects to make different instruments? Maybe film your creation.

## Parachute Challenge

Can you make a parachute for one of your toys? Can you get it down safely?
