This is a lovely website that is free using the details above. There is advice for parents on what phonics is and how we teach it in school. There are different phases to open up - Phase 2 is the starting phase with the graphemes (letters that make sounds) the children learn first, moving up to Phase 6. Most of the children in KS1 would have been accessing Phase 3 – 5. Have a look at the fun online activities with your child. When you click on an activity, press 'play' then you can choose which phase to try out.

**Free Resources**  
Free, unlimited access to selected games and teaching ideas across several phases - play these as many times as you like!

Play Free Resources

If you click on this box, it will also let you read instructions on how to use each game in different ways.

PhonicsPlay

Parent Information

Click on the 3 lines for a drop down menu- then click on the parents section + and you will find out more about phonics!

**Please don't worry if this is confusing...just have fun playing the games!**
